

# Outdoor Collection 2026

Visit our website to view  
our outdoor collection.

# Elevating Outdoor Spaces

Get ready to soak up the sun and embrace the great outdoors with our new 2026 outdoor collection!

Our outdoor furniture is meticulously crafted using high quality materials and innovative manufacturing techniques to ensure a long-lasting investment for your outdoor spaces. Each piece is thoughtfully designed with features like weather-resistant materials, easy maintenance, and ergonomic comfort in mind.

From dining chairs and sofas, to sun loungers and parasols, you can be assured that our collection includes models for every design scheme and budget.

At Protocol we are committed to delivering exceptional products that exceed expectations and pride ourselves on providing a prompt and reliable service to all our clients. In line with this, our product collections are regularly updated to meet evolving design trends, industry developments and the demands of the future.

This brochure features only a selection of our outdoor furniture and does not represent our full product offering. If you are looking for something different or bespoke or require furniture on a quick lead time, please get in touch today and speak to our friendly team.

# Metal

When it comes to outdoor furniture, metal is an excellent option that combines style, durability and versatility. It requires minimal maintenance, comes in a variety of styles and can effortlessly blend with different decor styles, whether its contemporary or rustic.
